UNITED STATES OF AMERICA

Plaintiff,

vs.

DAVID GONZALEZ,

Defendant.

VS.

On November 8, 2011, a hearing was held to determine Defendant's mental competency. Defendant was questioned by the Court regarding numerous matters such as where he was located, whether he understood the proceedings and charges against him, and other like matters. No additional evidence relating Defendant's mental competency was presented during the hearing. After carefully reviewing the Forensic Evaluation and observing Defendant's conduct and answers

1 provided to the Court, the Court accepts the Forensic Evaluation and finds, by a preponderance of
2 the evidence, Defendant is presently suffering from a mental disease or defect rendering him
3 mentally incompetent to understand the nature and consequences of the proceedings against him or
4 to assist his counsel properly in his defense.

5 IT IS THEREFORE ORDERED that the United States Marshal's Service transport
6 Defendant to a suitable mental health facility to determine whether there is a substantial probability
7 that in the foreseeable future he will attain the capacity to permit the trial to proceed.

8 IT IS FURTHER ORDERED that Defendant be held in the designated facility for a
9 reasonable period of time, not to exceed four (4) months.

10 IT IS FURTHER ORDERED that the Director of the facility at which Defendant is
11 transported shall prepare, or cause to be prepared, a supplemental Forensic Evaluation of Defendant
12 determining whether Defendant continues to suffer from a mental disease or defect rendering him
13 mentally incompetent to stand trial at this time, and whether there is a substantial probability that in
14 the foreseeable future he will attain the capacity to permit the trial to proceed. Copies of this
15 supplemental Forensic Evaluation shall be sent to the Clerk of the United States District Court for
16 the District of Nevada, to Carla B. Higginbotham, Assistant United States Attorney, and to Thomas
17 E. Vilorio, counsel for defendant GONZALEZ no later than February 21, 2012.

18 IT IS FURTHER ORDERED that a second Competency Hearing will be on Tuesday, March
19 6, 2012 at 10:00 a.m.

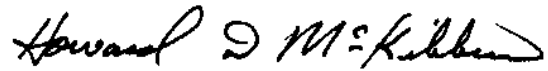

20 IT IS FURTHER ORDERED that in the event the Director of the facility determines, prior
21 to the March 6, 2012 Competency Hearing, that Defendant has recovered to such an extent that he
22 is able to understand the nature and consequences of the proceedings against him and to properly
23 assist in his defense, the Director shall promptly provide a certificate to that effect with the Clerk of
24 the United States District Court for the District of Nevada, Reno. The clerk shall send a copy of the
25 certificate to Carla B. Higginbotham, Assistant United States Attorney, and to Thomas E. Vilorio,
26 counsel for defendant Gonzalez. If this occurs, the Court will advance the March 6, 2012
27 Competency Hearing in this matter.

28 The Court finds that the period of time required for the above described psychiatric and

1 psychological examination is excludable time under the Speedy Trial Act, 18 U.S.C. § 3161(h)(1)(A)
2 and (H).

3 IT IS SO ORDERED.

4 Date this 10th day of November, 2011.
